Assembly PRO Employee

Employment Type
Full-time

Industry
Industry

Job Location
Wijchen, Gelderland, Netherlands

Base Salary
2.833,94

Date posted
October 29, 2025

Description
We are currently seeking a skilled and experienced Assembly PRO employee to join our team. In this role, you will be responsible for assembling and integrating products within our company. Your primary focus will be on ensuring that all components are accurately assembled, quality standards are met, and any issues or challenges that arise during the assembly process are effectively addressed.

As an Assembly PRO employee, you will work in a dynamic environment where teamwork, precision, and quality are paramount. Collaborating closely with your colleagues, you will contribute to the smooth and efficient assembly of products, adhering to timelines and specifications. Your attention to detail, technical expertise, and problem-solving skills will be key assets in successfully completing the assembly tasks.

Job description
As an Assembly Pro Employee, your main responsibility will be to perform assembly and integration tasks for our company's products. Working in a dynamic and fast-paced environment, you will be part of a team where teamwork, precision, and quality are of utmost importance.

Collaboration will be key in your role as an Assembly Pro Employee. You will work closely with your colleagues, sharing knowledge and expertise to ensure that products are assembled efficiently and accurately. By following precise instructions and adhering to strict quality standards, you will contribute to the production of high-quality goods.

Timeliness is crucial in meeting customer demands, and as an Assembly Pro Employee, you will play a vital role in ensuring that products are assembled on time. By closely following specifications and utilizing your technical skills, you will help guarantee that the finished products meet the required standards and exceed customer expectations.

Job Benefits
What we offer you as an Assembly PRO Employee:

- A challenging position in an innovative and growing organization;
- Opportunities for personal and professional development;
- A pleasant working environment with motivated colleagues;
- Competitive salary and benefits package.

Qualifications
What we expect from you as an Assembly PRO Employee:

- Previous experience as a mechanic;
- Proficiency in hydraulics, pneumatics, auto-electronics, and manual work;
- Familiarity with technical drawings;
- Fluency in Dutch, English, or German;
- Possession of accommodation in the Wijchen area;
- Access to personal transportation for commuting to work.
