Cleanroom Employee

Description
We are currently seeking a dedicated Cleanroom Employee to join our team at our client's facility. Our client is a global leader in high-tech packaging and tooling, specializing in the development, cleaning, production, and management of packaging logistics for high-quality industrial products. Working in a cleanroom environment ensures the protection of delicate and expensive components during transportation.

Job description
Our client is a global leader in high-tech packaging and tooling. They specialize in the development, cleaning, production, and management of packaging logistics for high-quality industrial products. This ensures the protection of delicate and expensive components during transportation. A cleanroom is an environment free from dust and other contaminants.

In this role, you will be working in a production environment. Your responsibilities as a Cleanroom Process Operator will include:

- Cleaning high-tech (technical components) parts following instructions and protocols;
- Performing assembly and cleaning tasks;
- Conducting quality measurements;
- Working based on instructions and drawings (Powerpoint).

You will work in two shifts on a weekly basis:

From Monday to Friday, you will work between 6:00 a.m. and 3:00 p.m. During the next week your working hours will be from 3:00 p.m. to 12 p.m.

Other responsibilities for you as a Production Cleanroom Operator:

- Adhering to the rules and procedures of the cleanroom;
- Cleaning and packaging various products and/or product components;
- Assembling products;
- Maintaining cleanliness of the workstation;
- Noticing and reporting any deviations.

Job Benefits
What do we offer you as a Production Cleanroom Operator?

- A full-time job with the potential for a permanent contract;
- A full-time position with a gross starting salary of approximately € 3.090,53 per month;
- Potential overtime compensation for working on Saturdays/Sundays;
- Travel allowance from 10km one way;
- Comprehensive on-site training upon starting;
- A pleasant working atmosphere in an international and young team;
- An independent role within a growing organization;
- A great team of colleagues;
- Weekly or every 4 weeks payment.

Employment Type
