Description
We are currently seeking a motivated Forklift Driver in the Nuenen region who can fulfill client requests and has a strong desire to learn. At our client's global-leading company specializing in technologically advanced packaging and tools, you will have the opportunity to work in a dynamic environment.

Job description
As a forklift driver at our client, a global leader in technologically advanced packaging and tools, you play a crucial role in the logistics process. You are responsible for loading and unloading trucks, packaging and potentially repackaging products, sorting and labeling goods, and preparing orders for shipment. You also handle the processing of returned goods and perform checks on products for quality, quantity, packaging, and serial numbers.

In addition, you are responsible for administrative tasks such as processing processes in the computer system, identifying and correcting any errors or deviations in outgoing or incoming orders. You also perform minor maintenance and repair work on equipment and conduct inventory of warehouse stocks.

Using a reach truck, electric pallet truck (EPT), or forklift, you efficiently move goods within the warehouse. It is also part of your role to organize and maintain cleanliness in the warehouse.

As a forklift driver, your contribution ensures the smooth flow of operations and plays a vital role in maintaining the high standards of our client's products and services.

Job Benefits
What we offer you as a Forklift Driver:

- Day shift position, working hours from 07:30 a.m. to 04:30 p.m.;
- Various training and development opportunities;
- Travel allowance if you need to travel more than 10 km to reach your workplace;
- 25 Holiday days.

Qualifications
What we expect from you as a Forklift Driver:

- Proficiency in the English language;
- Possession of a valid forklift certificate;
- Own accommodation;
- Prior experience operating a forklift.
