Description
Are you a skilled industrial sprayer looking for a new opportunity? Look no further! Our client in the Nijmegen area is seeking experienced industrial sprayers to join their team. As an industrial sprayer, you will play a crucial role in applying high-quality coatings to various surfaces, ensuring that the finished products meet the required standards. If you have a keen eye for detail, a passion for delivering exceptional results, and a solid background in industrial spraying, this could be the perfect role for you. Join us and be part of a dynamic team where your expertise will shine.

Job description
As an industrial sprayer with our client in the Nijmegen area, you will be responsible for applying high-quality coatings to a variety of surfaces. Your role will be crucial in ensuring that the finished products meet the required standards and specifications.

With your keen eye for detail and expertise in industrial spraying techniques, you will meticulously prepare surfaces, mix and apply coatings, and monitor the application process to achieve optimal results. Your work will contribute to the overall quality and appearance of the finished products.

Joining our dynamic team, you will have the opportunity to showcase your skills and contribute to the success of our client's operations. Your passion for delivering exceptional results and your solid background in industrial spraying will be highly valued. If you are seeking a new opportunity where your expertise will shine, we invite you to join us as an industrial sprayer.

Responsibilities:

- Preparing trailers for spraying by performing tasks such as sealing, removing welding spatter, blowing, and masking;
- Applying gloss paints and coatings to the trailers;
- Conducting quality checks to ensure each trailer meets the desired standards before leaving the workplace;
- Taking responsibility for cleaning materials and maintaining a tidy work area;
- Performing necessary repair work on the trailers;
- Actively seeking opportunities to improve processes and products;
- Managing inventory levels and evaluating received materials to maintain a smooth workflow.

Job Benefits
What we offer you as an Industrial Sprayer:

- We offer a competitive salary that is in line with the market standards;
- Enjoy a generous holiday allowance of 25 days, including 13 additional days off (ADV);
- We foster a pleasant work environment where teamwork and employee satisfaction are prioritized;
- Various training and development opportunities.

Qualifications

Apply!

Fill up the application form below:

What we expect from you as an Industrial Sprayer::

- Proficiency in handling paint spraying equipment;
- Experience with 2-component and electrostatic spraying;
- Preferred experience in the construction/chassis/automotive industry;
- Knowledge of safety, health, environmental, and quality regulations;
- Insight into own work process and ability to make improvements
- Experience in the paint sector (preferably the automotive industry);
- Proficiency in Polish, English, German, or Dutch;
- Own accommodation in the Nijmegen area.

How to apply?

If the Industrial Sprayer position has piqued your interest, we would be delighted to receive your CV. You can fill out the application form and press on “Send Application”.
