Description

We are currently looking for a Logistics Employee to join our client's team in the Eindhoven area. Our client is a leading player in the high-tech packaging and tooling industry, specializing in providing packaging solutions for high-quality industrial products. They also manage the entire logistics flow of these products.

Job Description

As a Logistics Employee, your main responsibility will be to ensure the smooth flow of logistics operations for our client in the Eindhoven area. You will be an integral part of the team that handles the packaging and distribution of high-quality industrial products.

Your tasks will include coordinating the receipt and storage of incoming goods, as well as the preparation and shipment of outgoing orders. You will be responsible for maintaining accurate inventory records, monitoring stock levels, and ensuring timely delivery of products to customers.

In addition, you will collaborate closely with suppliers, carriers, and internal teams to optimize logistics processes and resolve any issues that may arise. Attention to detail and strong organizational skills will be essential as you track and trace shipments, handle documentation, and ensure compliance with quality and safety standards.

Responsibilities of a Logistics Employee:

- Stocking materials in the warehouse to ensure sufficient quantity;
- Manually or using an Electric Pallet Truck (EPT), picking up orders and preparing them for transport;
- Maintaining an inventory overview of the racks;
- Keeping the workplace tidy.

Job Benefits

What we offer you as a Logistic Employee:

- A full-time job with the possibility of a permanent contract;
- Travel allowance starting at 10km one way;
- Extensive on-site training when you start;
- A pleasant working atmosphere in an international and young team;
- An independent role within a growing organization;
- A great team of colleagues;
- Payment every week or every 4 weeks.

Qualifications

What we expect from you as a Logistic Employee:

- Logistics experience;
- Willingness to learn and grow, open to new things;
- Ability to work well independently and in a team;
- Certified and experienced electric pallet truck operator.

How to apply?
If the Logistic Employee position has piqued your interest, we would be delighted to receive your CV. You can fill out the application form and press on “Send Application”.
